

Field Trip Reminder!

ATTENTION ALL TEACHERS...

Before you head off on field trips with your students and volunteer chaperones, we'd like to remind you that **all volunteers MUST be registered and have submitted a CORI form to the VIPS office at least two weeks prior to the trip.** Some chaperones have already taken care of this, so please take a moment to give your list of chaperones to the VIPS office, so we can determine if the chaperones need to complete the necessary forms.

When in doubt, check with your school secretary's list of CORId volunteers. This list is updated regularly, so be sure you see the most recent list.

Remember, if an accident or incident were to occur, and the volunteer was not properly registered and CORId, you would be putting the student, our school system, and that chaperone at risk by not insisting on the forms being completed prior to the trip!

The safety of our students is our first priority!

Questions? Contact the VIPS office:
